<u>Rating</u>	<u>Architectural</u>	<u>Condition</u>
A	Significant-save	good fair poor bad
B	Quality-Indiv./groups-save	good fair poor bad
C	Important to street/groups	good fair poor bad
D	Insignificant/detrimental	good fair poor bad

Notable features:

Lot 40 (910-914 W. Pratt Street) is a skylight manufacturer.
A park is being designed for the spot.

Environmental context:

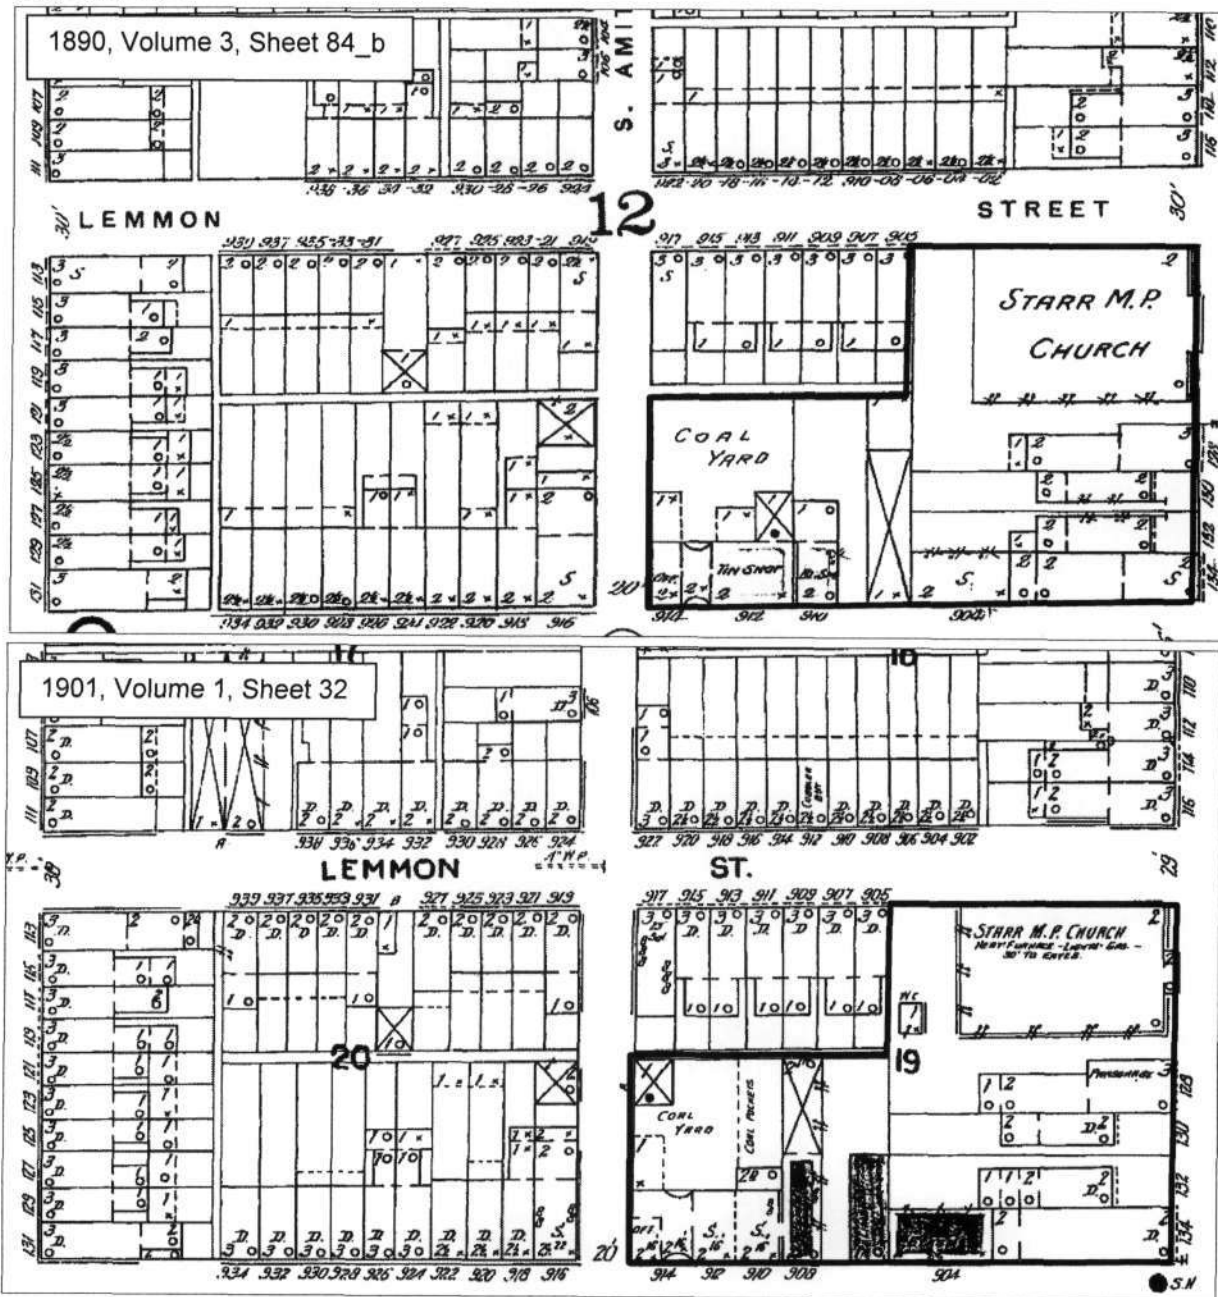

Pratt Street traffic is heavy, one-way east. This site is important not alone to the neighbors but also to visitors to the B. & O. train museum. The skylight plant seems not to bother the neighborhood; it could be made more visually acceptable.
